The Fellowship After School Program

Parent Handbook
Sept 2026-May 2027

Welcome!

We are thrilled to have your child participate in The After School Program at The Fellowship this school year!

We would like to WELCOME you to The Fellowship After School Program at The Fellowship Church at 22765 Westheimer Pkwy Katy, Tx 77450 at the Gen Building. We are very excited to jumpstart this program to offer after school activities and the opportunity to serve you and your children. This program is offered to children 18 months up to 5 years old from 2-4pm from Monday to Thursday. We provide enriching activities including aerobics, Stem, Bible, arts, crafts, Spanish lessons, English vocabulary, and Snacks. We offer a fun, safe, and supportive environment for the children. This program will be led by trained teachers and childcare staff.

Thank you for letting us love on your children for an additional 2 hours. We know that you are excited as we are. We want to take this time to introduce you to our amazing Fellowship kids after school program. You may know some of them from the Treasure Cove teacher who continues to love on the children. Below, you will also find more information about the program.

Ms. Missy Duft (The Fellowship Kids Director)
Ms. Robeap 'Beap' Santos (After School Program Director)
Ms. Tabitha J. (After School Program Lead)
Ms. Tonya B. (After School Program Lead Assistant)
Ms. Meagan E. (After School Program Lead)
Ms. Pamela M. (After School program Lead Assistant)

The Fellowship extends a warm welcome to all After School Program families to join us for regular Sunday services (9:00am and 10:45am) and during special celebration events. During our Sunday services, the music is contemporary, the dress is casual, and the messages are always inspiring. We use multiple forms of creativity to praise God and to communicate truth about God and man's relationship to Him.

Please feel free to contact us if you have any questions or concerns.

The Fellowship After School Program

Overview

The Fellowship After School Program is a ministry of The Fellowship collaborating with Treasure Cove to provide a Christian-based educational environment for children ages 18 months to 5 years. The program offers enrichment activities such as the Bible, aerobics, recreation, STEM, arts and crafts, Spanish lessons, and snacks. All After School Programs are led by trained teachers and childcare staff who has gone through background check and CPR/ First Aid trained. We offer a safe and supportive environment where children can learn, grow, and have fun.

The program is from 2:00 to 4:00pm - an extension of the Treasure Cove preschool hours. We offer Tuesday and Thursday, Monday and Wednesday or you can utilize the program from Monday through Thursday. The After School Program accepts potty-trained and non-potty-trained children.

Mission

The mission of The Fellowship After School Program is to provide childcare and education for children and their families in a safe Christ-centered environment as we help children develop physically, mentally, emotionally, socially, and spiritually.

"*Let the children come to me. Don't stop them! For the Kingdom of Heaven belongs to those who are like these children.*" — **Matthew 19:14**

Goals

- To have children feel cared for, loved, and secure in a Christ-centered program.
- To help children enjoy and feel successful in learning.
- To develop each child's physical skills and motor skills.
- To encourage the development of each child's language, spiritual, and creative growth.
- To encourage children socially to work and play with each other.
- To build relationship with one another through Christ love for His children.
- To provide a safe and fun environment and explore the marvelous wonders of GOD.
- To encourage children to learn and have fun.

Curriculum

The Fellowship After School Program will be using the Orange Curriculum, which is also used by The Fellowship Kids Ministry on Sundays. With the Orange Curriculum, we believe that you are the primary faith trainers for your children. It is our desire that our programs and activities would serve as an enhancement to the spiritual guidance you provide at home. We want to partner with you by providing an enjoyable, safe and loving environment where seeds of faith can be planted and nurtured in your children's lives. In a typical day, we will include a wide variety of learning and fun experiences that incorporate both group and independent activities in areas of recreation, Bible, STEM, arts, crafts, story times and Bible verse memorizations through storytelling and motor skills. Within these activities, there are many opportunities to share Biblical truths. Teachers and childcare will teach through use of conversations, stories, songs, prayer thoughts and Bible thoughts as children are involved in activities.

Daily Activities

The Fellowship After School Program provides a carefully planned curriculum developed by the director and teachers incorporating FUN in the agenda. We encourage creative freedom through free play, imaginative play, arts, crafts, gross and fine motor activities. What looks like play to the observer and feels like play to the child is a carefully planned program developed to build the child's self-confidence, expanding their understanding, teach responsibility, and increase motor skills.

Daily Activities planned by the Director and teachers include:
Bible/ Verse memorization
Independent Play
Crafts
Language Arts
Creative Arts
Group Play
Outside/ Large Motor Play
Spanish Lessons
Music

Active Play

The children will participate in Music & Movement classes and active outside play (15 mins). We follow the KISD's cold weather response plan when the weather temperature falls below 20 degrees as well as their heat advisory plan.

Faith Development

Parents are a child's first and most significant spiritual guides. Treasure Cove, The After School Program, and The Fellowship sees it as their responsibility to interpret everything a child experiences in terms of God. We pray before eating; we share stories from the Bible; we focus on a Bible verse through creativity and story every week.

Registration Fee

A non-refundable/non-transferable registration fee of $75.00 per child will be paid during registration. This fee is not applied towards annual or monthly tuition fees.

*A supply fee is included in this registration fee for each child, and it will cover the cost of materials and most general classroom supplies. From time to time, your child's class may have an additional, specific supply list depending on the classroom activities at the time.

Fees for extracurricular activities fee are NOT included in The After School Program. Third party extracurricular activities will be optional, and a separate fee from the monthly tuition. Prices are subject to the company providing the service. Parents will be notified of the optional extracurricular activities if they would like their child to participate.

After School Payment Policy

Tuition is due on the first of each month from September to May. A late fee of $25.00 will be assessed if payment is not received by the fifteenth day of the month. There will also be a fee of $5.00 late pick up for every 5 minutes. If payment is not received by the end of the month, then the student will not be permitted to return to school until payment has been made in full. If payment is not made in full, we will discontinue your program enrollment and offer the spot to the next child on the waiting list.

The Fellowship will provide a QR code and link for payment. Your family will have the option to pay with a credit card (with a 2.75% processing fee) or with a monthly automatic withdrawal from your checking account (.75 cent processing fee.) Tuition is due regardless of absences, illness, non-attendance, disciplinary reasons, scheduled class closings and holidays. No refunds or "make ups" are made if students are not able to attend. Holidays and school closings have been considered when tuition is set; there will be no refund or "make ups" for these days or any inclement weather days.

After School Program Assistance Policy

Please reach out to the director if your family needs assistance with tuition due to financial hardship or temporary extenuating circumstances, such as job loss, health issues, or a death in the family. The Advisory Board will advise on a case-by-case basis.

Schedule

The Fellowship After School Program will follow the Treasure Cove academic calendar, which will also based on the KISD academic calendar.

There is no After School Program on school half-days, holidays, and the last days of school.

The After School Program is offered Monday – Thursday from school release at 2:00 pm until 4:00 pm.

Sample Daily Schedule

3:00-3:15	Snack, Spanish or Vocabulary Lesson
3:15-3:40	Craft, Bible, or STEM activity
3:40-4:00	Outside or Indoor Aerobics
	***We potentially will offer third party gymnastics, soccer, dance classes, etc. for an additional fee.
4:00	Parent Pickup

Parent Responsibilities

A key to the success of preschoolers is a positive team effort between parents and the school. From time to time, parents may be asked to share their special interests and skills with the classes, to assist at designated times, and to participate in parent conferences.

Each parent is expected to:

- Pay monthly tuition in advance by the first of each month.
- See that your child is delivered and picked up at the proper times.
- Assess your child's health and keep him or her home when it is necessary.
- Call or email the director/child's teacher if your child will be absent.
- Provide appropriate snacks and supplies on occasion.
- Keep your child's teacher informed about important events in the child's life.
- Communicate with the director about your child's experience in The Fellowship After School program.

Conferences

Directors/Teachers are happy to talk to you if you have questions or concerns. Any messages to the staff should be delivered in writing. No verbal messages by the child will be accepted. Teachers are not allowed to discuss matters concerning another child. If you have a concern to discuss with your child's teacher, the teacher will be happy to schedule a meeting (along with the director, if requested). If your concern requires immediate attention, the teacher will locate the

director to meet with you. Please do not discuss your concerns, whether about a child or an adult, in front of the class.

Observation

Parents are welcome and encouraged to visit The Fellowship After School Program at any time. Parents are asked to be courteous and not interrupt the learning process. We encourage parents to participate in the activities with their child to enhance the relationship that is being build.

Parent Volunteers

Our parent volunteers are a vital part of events at The Fellowship After School Program. These volunteers help organize special events which may be held throughout the school year.

Parking

Please park only in designated parking spaces. Parking in undesignated parking areas may prevent the visibility of children. Only parents with non-walking baby siblings may park in the drop off lane in front of the building at drop off and pick up times. Please always leave the handicap driveway clear. Never leave your valuables in your car and always lock your doors.

Discipline

The Fellowship After School Program will provide a positive environment of instruction and guidance in helping children to learn appropriate behavior in the classroom. Positive behavior will be rewarded with praise and recognition. Inappropriate behavior will be handled by verbal correction, redirection, and an area for taking a break, if necessary. With extreme behavior, the child will be removed from the classroom and sent to the director. Behavior reports are written when a child displays extreme disruptive behavior. If a child does not conform to school policies, The After School program reserves the right to remove the child from the program.

Discipline and Guidance Policy

Discipline must be:

1. Individualized and consistent for each child.
2. Appropriate to the child's level of understanding.
3. Directed toward teaching the child acceptable behavior and self-control.

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:

1. Using praise and encouragement of good behavior instead of focusing upon unacceptable behavior.
2. Reminding a child of behavior expectations daily by using clear, positive statements.
3. Redirecting behavior using positive statements.

4. Using brief supervised separation or taking a break from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment.
2. Punishment associated with food, naps, or toilet training.
3. Pinching, shaking, or biting a child.
4. Hitting a child with a hand or instrument.
5. Putting anything in or on a child's mouth.
6. Humiliating, ridiculing, rejecting, or yelling at a child.
7. Subjecting a child to harsh, abusive, or profane language.
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed.
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

The After School Program teachers are competent and experienced in working with young children; however, our setting is not designed, nor are all of our staff trained to handle children with extreme developmental delays, severe physical handicaps, or very difficult behavior problems. Our school has a strong Christian commitment to work with and to help the children and families in our school within our capabilities. For children who have needs we feel we may not be meeting adequately, recommendations will be made for professional evaluations, which could result in suggestions for an alternative schooling environment.

Illness

Your child should not come to our program if he/she:

1. has had a fever (over 100 degrees), vomited, or had diarrhea in the previous 24 hours.
2. has a sore throat.
3. has a rash or skin eruption. These do include chicken pox, measles, molluscum, or other like sores being suspected.
4. has inflammation of the eyelids.
5. has head lice.
6. is fussy, cranky, or generally not him/herself.
7. has excessive nasal discharge that is not clear in color.

If a child becomes ill while at The After School Program, the parents will be called and are expected to take the child home or otherwise arrange for care in another location. If the parent cannot be reached, the emergency contact person will be notified. It is imperative that the school have current contact numbers. We are concerned about the health and safety of each child and must take steps to see that those who are ill get the proper care as well as keeping those who are ill separated from other children in our care. We understand that there will be times when your child must be absent. Please let us know as soon as possible when this happens by calling The Fellowship After School Program director at 510-935-5964. When you call, please leave your

child's name and teacher and the reason for the absence. You can also email the director at Robeap@thefellowship.org

Parents must notify the program if their child develops a contagious disease/condition (Covid, chicken pox, scarlet fever, hepatitis, impetigo, pink eye, head lice, any intestinal diseases, E. coli, giardiasis, molluscum, meningitis, salmonellosis, TB, hand, foot and mouth disease, measles or mumps). Parents of children in a classroom where a child has developed any of the above will be notified. A physician's release note must be presented for the child to be able to return to school in the case of a communicable disease or any of those listed above. Please note, The After School Program reserves the right to request a physician's release note for any health condition we feel necessary.

Please note that if your child cannot go outside or otherwise participate in daily activities with the class, they should not come to the program unless the parents are able and willing to stay with their child during that time. We do not have staff to stay with children who are separated from their class.

Let us know if your child has experienced or is experiencing a traumatic situation at home. The school staff will always be supportive. The church staff is also available to help in difficult situations.

Potty Training

All of our three-year olds and older are expected to be potty trained upon the start of school. We know that potty training is different for each child; therefore, we are willing to help in this process in our two-year-old classes if they are showing signs of being ready to begin the process. Our definition of potty trained is being able to verbalize that you need to potty and using the potty on your own.

Dress Code

At all times, students should wear closed-toed shoes, preferably tennis shoes (No boots, sandals, or crocs.) Some of our activities may be messy and accidents do happen; please wear comfortable clothing appropriate for indoor and outdoor play. Any coats, jackets or other loose articles should be labeled with the child's name. Each child will need to bring a spare set of clothes, packaged in a Ziploc type bag to be stored in his/her bag. Please include a pair of underwear, a shirt, a pair of pants, and socks. Make sure that you check and replenish these items as needed. If your child is potty training, we will assist in that process, you need to provide at least three sets of clothes. For children not yet potty trained, please include a minimum of three diapers and wipes for each day. For your child's safety, do not send your child with a necklace or garment with drawstrings. Students are requested not to bring personal items except at the request of their teacher. The After School Program is not responsible for personal items brought to school.

If your child is not registered with our weekday preschool, please provide items in a zip lock bag with your child.

Snack and Nutrition

The children will have a snack time each day. We will provide snacks listed below with an option of fresh fruit of the day Parents are welcome to provide healthy snacks for their child if prefer due to child's food allergies. Parents may provide treats (store bought only) and may be asked to provide special treats for holidays and special events.

Please send a nutritious snack and drink with your child each day. We are not able to refrigerate or microwave food for students. Do not send any kind of soda, foods high in sugar, or glass containers. Please choose a variety from the basic food groups when selecting food for your child's lunch. Gum and carbonated drinks are prohibited at The Fellowship After School Program.

The Fellowship After School Program will provide the following snacks.

Snacks	Fresh Fruit Snacks
Goldfish	Mandarins
Cheese It	Strawberries
Cinnamon Toast Crunch	Raspberries
Pretzels	Apples
Fruit Snacks	Bananas
Cheerios	Watermelon
Cheese puffs	Bluberries

Food Allergies

If your child has allergies to certain foods, please highlight this on their enrollment forms. Your child's health and safety are of great concern to us, and we will take all precautions that we can to ensure their safety. If this is a severe allergy that requires life-saving precautions (ex. an Epipen), you will be required to have your doctor fill out an Allergy Emergency Plan. If you have questions or concerns, please feel free to discuss them with your child's teachers and directors.

Rest Time

Children have a rest period during our weekday preschool each day. They will not be offered a rest period during The After School Program hours.

Birthdays

Birthday parties will not take place during The After School Program.

Arrival/Departure Procedures

The After School Program begins after our weekday preschool hours end. The After School Program is located in the same facility as Treasure Cove in the Next Gen Building. Procedures are placed for students from Treasure Cove who are utilizing the Fellowship After School Program. All children should be in the program at 2:15pm and teachers will be at the front and back door greeting non-Treasure Cove students. All children should be in their classrooms by 2:15 pm. It is important that children be on time to begin each day. If children are late, it is difficult for them to focus on the current activities and have a sense of accomplishment by the end of the program day. Please say goodbye to your child at the door and hand their supplies to them or the teacher, depending on the age of your child.

Dismissal begins at 4:00 pm. Parents must check their child out each afternoon.

Late Pick-up Fee

Children become anxious when parents are delayed, and teachers have other scheduled commitments at the end of the program day. If you find that you have an unavoidable situation and know you are going to be late, please call the school so that plans for supervision of your child can be made. Children not picked up by 4:10 will be left in the Director's care. You will be assessed a late fee of $5.00 for every five minutes. Late fees will be paid directly to the director, and late fees will be charged regardless of notification.

Security/Release of Children

Security is of the utmost importance at The Fellowship After School Program. Our program is equipped with security cameras. All visitors in the building will be required to sign the Visitor Log upon arrival.

Children will only be released to people named on their enrollment form. Parents must inform the director in advance in writing if a person picking up their child is not listed on these forms (with that person's current driver's license number). Driver's license numbers are required of all people designated to pick up children at The Fellowship After School Program and will always be checked before releasing a child. Please keep this information current.

In the case of divorced or separated parents, The Fellowship After School Program requires a certified copy of the current custody order. This information is kept confidential, but it is necessary that the director has copies of any pertinent legal documentation. The individuals designated by the custodial parent to pick up his or her child in case of emergency will be the only people to which the child is released. These individuals must provide a current driver's license.

Doors will remain lock until 3:45pm. If pick-up is prior to 3:45pm, please enter through the doors off of Peek Rd. You may also notify the Fellowship Directors for early pick up.

Hold Harmless Release

If you use The Fellowship's playground after hours, you must supervise your child(ren). The Fellowship cannot be held responsible for any accident that could take place, and that you are solely responsible for any damages caused by your child after hours.

Weather/Fire/Disaster Procedures

When Katy ISD schools are closed or delayed opening due to inclement weather, Treasure Cove and The Fellowship After School Program will also be closed or delayed. The Program reserves the right to close the program early if we feel that the weather warrants it. Please check Treasure Cove Facebook and The Fellowship After School Program Facebook, you will receive an email regarding school closings or delayed openings. We do not make up days lost to weather or other emergencies.

Emergency Procedures

Children will be instructed in emergency procedures regularly. All staff will be involved in monthly fire drills; lockdown drills and natural disaster drills every three months. These drills help the children become acclimated to emergency situations in a non-threatening way. In the event of damage to the structure, our relocation facility is the Katy YMCA. Students will remain with their teacher and class until released to a parent or guardian. If you would like to see our full Emergency Preparedness plan, it is available upon request.

Pest Control

The Fellowship has quarterly pest control by Modern Pest Control. The company uses environmentally safe materials.

Injury

First aid kits are in each classroom and the kitchen area. Should a child sustain a minor injury, basic first aid and lots of love and care will be administered. An incident report will be filled out and parents will be notified. In the event of a more serious injury, emergency medical care will be requested, and parents immediately notified. If a parent cannot be reached, the emergency contact person will be notified, and the child's physician will be consulted for medical advice.

Medication

The teachers and director will not administer medication, vitamins, or other such substances. Please apply bug spray or sunscreen before arriving to school. If your child has a life-threatening reaction to food or an environmental factor, we require an Allergy Emergency Plan signed by your child's doctor. There is a separate form for each medication that includes dosage. These include medications like inhalers, EpiPens, and Benadryl.

Children with Disabilities

The Fellowship After School Program will accept children in compliance with the Americans with Disabilities Act (ADA), its regulations and any other applicable local state or federal laws pertaining to the provision of services to those with disabilities. However, due to financial limitations (funding for additional staff, or special education training for staff), there may be situations in which recommendations will be made for professional evaluations which could result in suggestions for an alternative schooling environment. Each situation will be handled on a case-by-case basis during the school year.

Lost and Found

Children's clothing and personal articles should be labeled with their name. "Found" items without a name will be placed in the Lost and Found in the office. Unclaimed Lost and Found items will be donated to Katy Christian Ministries or other charitable organizations.

School and Staff

Our staff has been carefully selected and each person is expected to show the life of Christ by example, faith, love, forgiveness, and Christian service. All staff members are Christians whose teaching and personal life reflects their faith. They are chosen based on education and their understanding and love of children. The staff members are all well-trained and well-qualified. Using appropriate methods, teachers assess and inform parents of children's progress and/or goals for developmental progress. Hiring practices are non-discriminatory.

Classrooms are safe, clean, and arranged to accommodate children individually, in small groups and in a large group. Rooms contain building block and dramatic play areas, a reading/book area, and spaces for creative arts and manipulatives. Age-appropriate equipment is available outdoors on the playground.

Training and Staff Development

CPR and First Aid training are required for all members of The After School Program staff.

Pre-employment and Criminal History Check

All staff are required to have orientation training, pre-service training, and a notarized statement of non-participation in a felony. Each employee must pass a thorough criminal history background check in accordance with the Texas Department of Protective and Regulatory Services.

Gang Free Zone

Under the TX Penal Code, any area within 1000 feet of any childcare center is a gang free zone, where criminal offences related to organized criminal activity are subject to a harsher penalty

Suspected Child Abuse/Neglect Policy

State law requires all staff members to report suspected child physical, emotional, and sexual abuse, and neglect. Any staff member who suspects child abuse or neglect must immediately report it directly to Childcare Licensing and also to the Director. Once the case has been reported, Department of Family and Protective Services will investigate and notify the school. To make a report call the DFPS Statewide Hotline: 1-800-252-5400 or online at http://www.txabusehotline.org/Login/Default.aspx.

Procedures for Reporting Suspected Abuse

1. All employees must report any suspected child abuse cases to the Child Abuse Hotline. A person may not make the independent determination of whether a report is necessary or not. Teachers must also report any suspected abuse to the Director.

2. The Director must send a written report of suspected child abuse to the Department of Family and Protective Services (DFPS) of the alleged abuse within 48 hours.

3. When reporting suspected cases of child abuse, you must include the following information: Name and age of child, child's present location, type and extent of abuse, and the name and title of the person making the report.

4.Due to the confidential nature of such reports, no information concerning the incident can be shared with other staff members or parents.

Preventing and Responding to Abuse and Neglect of Children Requires

Staff Training

The After School Program will provide training for all staff on the identification and reporting of suspected child abuse and neglect each program year. The director will provide this training for

new staff at an orientation within seven days of their hire date. Any new staff hired during the school year will document such orientation in the employee's file.

All employees must complete at least one clock hour of annual training from the Department of Family and Protective Services Website: http://www.dfps.state.tx.us/Training/Reporting or other source including but not limited to face to face and/online training.

Parent Education

The Child Abuse and Neglect Policy will be given to all parents of children in The After School Program. Parent Handbook, if requested. Parents will be informed of available community resources from the Department of Family and Protective Services Community-Based Child Abuse Prevention Program (CBCAP Program).

The CBCAP program makes parents aware of prevention services in their communities and encourages them to use them. It also strengthens community and parental involvement in child abuse prevention efforts. CBCAP funds a variety of contracts with community-based organizations to provide child abuse and neglect prevention services. These include Respite and Parent Education, Fatherhood and Leadership for Effective Parenting, Multidisciplinary Approach to Prevention Services, Family Support program, as well as various special initiatives. These includes the Help for Parents, Hope for Kids campaign, which reaches out to parents with advertising and inspirational testimonials and gives them a website: http://www.helpandhope.org (to connect them with prevention and support services statewide).

How Do I Know if it is Abuse or Neglect?

DFPS uses definitions of abuse and neglect found in the Texas Family Code (TFC): http://www.statutes.legis.state.tx.us/Docs/FA/htm/FA.261.htm

DFPS defines abuse and neglect as the following acts or omissions by a person:

Physical injury that results in substantial harm to the child, or the genuine threat of substantial harm from physical injury to the child, including any injury that is at variance with the history or explanation given. This does not include an accident or reasonable discipline by a parent, guardian, or managing possessory conservator that does not expose the child to a substantial risk of harm.

Sexual conduct harmful to a child's mental emotional, or physical welfare, including conduct that constitutes the offense of continuous sexual abuse of young child or children under Section 21.02, Penal Code, indecency with a child under Section 21.11, Penal Code, sexual assault under Section 22.011, Penal Code or aggravated sexual assault under 22.021, Penal Code.

Mental or emotional injury to a child that results in observable and material impairment in the child's growth, development, or psychological functioning.

Neglect includes the following acts or omissions by a person:

Placing a child in or failing to remove a child from a situation in which a reasonable person would realize requires judgment or actions beyond the child's level of maturity, physical condition, or mental abilities and that results in bodily injury or a substantial risk of immediate harm to the child.

Failing to seek, obtain, or follow through with medical care for a child with the failure resulting in or presenting a substantial risk of death, disfigurement, or bodily injury or with the failure resulting in an observable and material impairment to the growth, development, or functioning of a child.

The failure to provide a child with food, clothing, or shelter necessary to sustain the life or health of the child, excluding failure caused primarily by financial inability unless relief services have been offered and refused.

What if I am not sure if it is neglect?

While it would be ideal to have a clear-cut guide that would determine whether any given situation constitutes abuse or neglect, there are many factors that determine whether a situation warrants an investigation. When in doubt, always err on the side of the child's safety by making a phone or Internet report to the Texas Abuse Hotline.
